## WORK EXPERIENCE

**01/2021 - Present**                    Remote
### Junior Machine Learning Scientist
Se7enCoders Inc

**Accomplishments**
Working with a team of software professionals to implement machine learning technology for future innovations

**10/2020 - Present**                    Dhaka, Bangladesh
### Lead Developer
NervSystemBD

**Accomplishments**
Developed First ever online 3D Asset store in Bangladesh

**09/2020 - 09/2021**                    Dhaka, Bangladesh
### Web Master
IEEE Computer Society ULAB SBC

**Accomplishments**
Maintaining the IEEE ULAB website with the events, and updating events on IEEE Vtools online

**05/2019 - 12/2020**                    Khulna, Bangladesh
### UI/UX Designer
Freelancer on Fiverr

**Accomplishments**
Designed PIXEL-PERFECT Wireframes and Prototypes for several International Clients on Fiverr

**11/2018 - 11/2019**                    Khulna, Bangladesh
### Full Stack Developer
GPUMag

**Accomplishments**
Developed the first ever magazine on Graphics Processing Unit (GPU) based on Bangladesh.

## EDUCATION

**02/2019 - Present**                    Dhaka, Bangladesh
### BSc in Computer Science & Engineering
University of Liberal Arts Bangladesh

**02/2015 - 02/2017**                    Khulna, Bangladesh
### Higher Secondary School Certification
Khulna Public College

## SKILLS & COMPETENCIES

HTML5 · CSS3 · JavaScript (ES6+) · React.js · Node.js · Python (dJango) · PHP · MySQL · Docker · Kubernetes · Containers · OpenShift · Microservices · Serverless Computing · SQL · NoSQL · Databases · DevOps · CI/CD · Keras · Automation · Version Control · Troubleshooting · Debugging · Configuration Management · AI · Data Science · Machine Learning · TensorFlow 2.0

## ACHIEVEMENTS & CERTIFICATES

### IBM Full Stack Cloud Developer Professional Certificate
**Duration:** 13 Months        🏳 IBM

**Gained Skills:** HTML, CSS, JavaScript, GitHub, Node.js, React, Cloud Native practices, DevOps, CI/CD, Containers, Docker, Kubernetes, OpenShift, Python programming, Databases, SQL, NoSQL, Django ORM, Bootstrap, Microservices, Serverless computing

### Google IT Automation with Python Professional Certificate
**Duration:** 08 Months        🏳 Google

**Gained Skills:** Version Control, Troubleshooting & Debugging, Python Programming, Configuration Management, Automation

### Machine Learning Scientist with Python Track
**Duration:** 06 Months        🏳 DataCamp

**Gained Skills:** Machine Learning Algorithms, Hyperparameter Tuning, Feature Engineering, Image Processing, Deep Neural Networks (DNN), Convolutional Neural Networks (CNN), RNN, Keras

### Web Applications for Everybody
**Duration:** 06 Months        🏳 University of Michigan

**Gained Skills:** PHP + MySQL, JavaScript

### Honorable Mention in ACM ICPC Dhaka Regional 2019
### Ranked 12th in IEEE Xtreme 13 - Bangladesh Region
